Price: **€15.00** gross

Manufacturer: Klemp

Referention number: D3502

Information:

The D3502 pilaster cap is designed for decorative finishing of pilasters around doors, windows, and niches. Made from ProFoam – a material that is resistant to moisture, UV radiation, and minor mechanical damage. It is coated with a primer that allows for painting with solvent-free paints. Suitable for interior installation in homes, offices, hotels, and public buildings, including areas with elevated humidity. Installation is done using mounting glue. Lightweight and easy to install.
