Price: **€58.00** gross

Manufacturer: Klemp

Referention number: QL026T

Information:

The QL026T curtain rail is designed to conceal ceiling tracks and curtain rods, providing an elegantly finished look to the area beneath the ceiling. Made from durable PolyForce material with high density, it is resistant to mechanical damage and water. The LightGuard® technology allows for even distribution of LED light, eliminating the issue of light bleed. The profile can be cut to size, and its smooth surface minimizes dust accumulation and makes cleaning easier. The wide adhesive surface ensures stable installation without the need for specialized tools.

Product features

Material	PolyForce
Length	200 cm
Width	10 cm
Collection	Listwy karniszowe
Depth	4,1 cm
Colour	White
Waterproof	Tak
UV Resistance	Tak
