Price: **€45.00** gross

Manufacturer: Klemm

Referention number: AT-AK503-200

Information:

A square aluminum profile measuring 50x50x3 mm and made from 6063 alloy is a durable component for light and medium-duty structures. The 3 mm wall thickness ensures stability and long-lasting joints. The 200 cm long profile is ideal for aluminum frames, supports, and cages. Its weight allows for easy assembly of larger systems. The strength of the material ensures the longevity of the construction. The raw surface enables quick adaptation to industrial and hobby projects.
