Price: **€3.00** gross

Manufacturer: Klemm

Referention number: 1D2-R40-X3-C

Information:

Straight connector / sleeve for 40x3 mm pipe is a robust component made of glass fiber-reinforced PA6 polyamide. It ensures a durable and stable connection of aluminum profiles in frames, cages, and lightweight structures. Equipped with one axle and two sockets, it allows for quick push-fit assembly using a rubber mallet. The black color blends well with various systems. Its light weight of 0.1 kg does not burden the structure. Ideal for building modular frames and simple pipe extensions.

Dimensions: C = 5 mm; D = 61 mm; E = 61 mm

Product features

Material	Polyamide PA6 - glass fiber reinforced
Colour	Black
Type	Extension piece
Mounting method	By plug, using a rubber hammer
Matching profile	40x3 mm
Number of axes	1
Number of slots	2
Core	Standard plastic connectors
