Price: **€2.00** gross

Manufacturer: Klemm

Referention number: 1D2-R20X1-5-CM

Information:

Straight connector / coupling with a metal core for 20x1.5 mm tube made of glass fiber-reinforced PA6 polyamide. A single axis and two sockets guarantee a durable and stable connection in lightweight frames, cages, and aluminum constructions. Installation by push-fit using a rubber mallet is quick and simple. The black color matches modular systems. The 0.1 kg weight minimizes the structural load. Ideal for extending tubes and building modular frames.

Dimensions: C = 5 mm; D = 37 mm; E = 37 mm

Product features

Material	Polyamide PA6 - glass fiber reinforced
Colour	Black
Type	Extension piece
Mounting method	By plug, using a rubber hammer
Matching profile	20x1,5 mm
Number of axes	1
Number of slots	2
Core	With metal core
