Price: **€2.00** gross

Manufacturer: Klemp

Referention number: 3D4-V25-X2-S

Information:

The 3-way corner joint with 4 slots in gray is indispensable for building frames and light cages from 20x20x1.5 mm profiles. Reinforced glass fiber PA6 polyamide guarantees durability and stability of the construction. Press-fit assembly with a rubber mallet allows for quick and effortless connection of profiles. It is perfect for corners requiring multiple connections. Lightweight and durable, it supports stable structures. It enables flexible connection of profiles in various configurations.
