Price: **€5.00** gross

Manufacturer: Klemp

Referention number: 2D4-V30-X2-S

Information:

Cross joint (2 axes, 4 sockets) in gray is a robust connector for 30x30x2 mm profiles. Made from PA6 polyamide reinforced with glass fiber, it ensures durability and load resistance. Four sockets and two axes guarantee stable connections of structural components. Ideal for frames, enclosures, and lightweight aluminum structures. Push-fit installation using a rubber mallet is quick and easy. The lightweight design (0.1 kg) minimizes additional frame load.
