Price: **€1.00** gross

Manufacturer: Klemp

Referention number: ZP-30x20x1-3-C

Information:

The black end cap 30x20x1-3 mm, made of polyethylene, ensures a durable and aesthetic finish for 30x20 mm profiles. Installation by pressing in with a rubber mallet is quick and effortless. It effectively protects the inside of the profile from dust and mechanical damage. Perfect for lightweight aluminum structures, frames, and enclosures. Its low weight makes transport and installation easier. The elegant black color complements any project.
