Price: **€1.00** gross

Manufacturer: Klemp

Referention number: ZP-50x30x1-5-2-C

Information:

A black 50x30x1.5-2 mm end cap made of polyethylene is a practical finishing solution for 50x30 mm profiles. Installation by tapping it in with a rubber mallet is quick and convenient. It protects the inside of the profile from dirt and mechanical damage. Ideal for lightweight aluminum constructions, frames, and cages. Lightweight, durable, and aesthetically pleasing.
