Price: **€1.00** gross

Manufacturer: Klemm

Referention number: ZP-50x40x1-2-C

Information:

A black 50x40x1-2 mm end cap made of polyethylene is a practical and durable finishing touch for 50x40 mm profiles. Push-fit installation using a rubber mallet is quick and easy. It protects the inside of the profile from dirt and mechanical damage. Excellent for lightweight aluminum structures, frames, and cages. Lightweight, durable, and visually appealing.
